Canadian Environment Award Winners

The Canadian Environment Awards is a national program established by Canadian Geographic Enterprises that recognizes Canadians that have made contributions to the protection, restorations and preservation of the environment. Lakeland County is proud to announce they are this years Silver Medal winners of the community awards in the category of environmental health. Lakeland County is receiving this prestigious award for all the work done by the Lac La Biche Watershed Steering Committee.
Honorable, Ray Danyluk studied sciences at the University of Alberta. Mr. Danyluk was elected to his first term as a Member of the Legislative Assembly for Lac La Biche - St. Paul in 2001 and 2004 for his second term as MLA. Also, in 2006 he was sworn in as Minister of Municipal Affairs and Housing.

Honorable, Rob Renner graduated from the University of Calgary in 1976, where he received a Bachelor of Commerce Degree. Mr. Renner was elected for his fourth term as Member of the Legislative Assembly and Municipal Affairs for Medicine Hat in 2004. In 2006, he was then sworn in as the Minister of Environment.

Hans Schreier is a professor at the Institute for Resource and Environment at the University of British Columbia. He was recognized, for all his work, in 1996 by the International Development Research Centre and received the 1999 Manaaki Whenua Fellowship Award by Landcare Research in New Zealand. In 2004, he received the “Science in Action” Award from the United Nations International Year of Fresh Water, Science, Education and Conservation Program.

Morris Seiferling is the Assistant Deputy Minister of Sustainable Resource and Environmental Management. He also supports the natural resource management departments of Energy, Environment and Sustainable Resource Development.

Judy Stewart has served six years as a councilor and three years as the Mayor of the Town of Cochrane, Alberta. Judy enjoys working in land use planning and water management planning. Currently Judy is working on a Master of Laws at the University of Calgary.

Eric Kimmel received both a Bachelor of Arts Degree and a Master’s Degree from the School of Public Policy at Simon Fraser University. Eric specializes in environmental policy with focus on economic analysis and governance issues.

Jay White is a certified Alberta Professional Biologist who earned his Master’s of Science from the University of Alberta. Mr. White specializes in watershed management planning, nutrient modeling, and land use impacts on aquatic ecosystems.

Bill Barclay received his Bachelor of Laws Degree from the University of Alberta and carries on a law practice with emphasis on municipal, planning, and assessment Law, based out of Edmonton, Alberta.

Sheila McNaughton received her Bachelor of Laws Degree from the University of Alberta. Currently, she practices law with emphasis on municipal law and administrative law.

Northern Alberta Development Council is a regional development council that focuses on advancing the development of the northern economy. Their mission is to identify and implement measures to advance northern development and to advise government on opportunities and issues.

Krystle Fedoretz received her Biological Sciences-Environmental Sciences Diploma from NAIT in 2006. Currently, Krystle is the Environmental Coordinator for Lakeland County. Her career highlights include developing a Watershed Management Plan for the Lac La Biche Watershed and the development of the Riparian Setback Matrix Model.

Glen Shkurhan, P.Eng. Is a senior engineer for Urban Systems Ltd. out of the Vancouver office and leads the companies Stormwater Practice. Glen has an array of experience in Stormwater Management, Infrastructure Assessments, Hydrologic Analysis, and Design.

Jane Palmer is the assistant manager for Community Futures Lac La Biche where she specializes in Economic Development & Tourism. Jane earned a Certificate in Economic Development from the University of Waterloo and an Accounting Certificate from Athabasca University.

Harry Harker, ACP, MCIP is now in his third year of being Red Deer County’s Community Planning Director. He has extensive experience on small communities and rural planning and is interested in land use innovation, rural community planning, and education of future planners.

Mark Wiebe is the development officer for Lakeland County. He has a background in residential construction and is currently enrolled at the University of Alberta for the Applied Land Use Planning studies.

Martin Bell, M.Pl., MCIP, is the Managing Partner of the Edmonton office of Urban Systems Ltd. And the leader of the firm’s Local Government Consulting Practice in Alberta. Martin’s focus is strategy integration consulting on land development, communications, infrastructure and finance.
